Re: Letter of Support for Moneytalk Financial Foundations

On behalf of Youthbuild Kansas City Kansas, we would like to recognize our support for Moneytalk Financial Foundations and they work that they do with regard to financial literacy in the Kansas City Metro area.

Youthbuild KCK is a federally funded program designed to equip young adults with the skills necessary to become self-sufficient, educated, and responsible mature adults. Youthbuild provides education enrichment, construction skills, and job training to young adults between the ages of 16 and 24. Nearly all Youthbuild KCK trainees are either from low-income households and/or did not graduate from high school.

Youthbuild is deeply committed to civic engagement and ensuring that our trainees have the proper and appropriate skills to be financially responsible citizens. We are excited about the work that we have been able to accomplish with our partners at Moneytalk Financial Foundations.
