Park Lane jewelry is guaranteed to be manufactured in strict compliance with the highest quality control requirements and represents excellence in craftsmanship. For this reason, Park Lane can boast the most generous exchange/ replacement policy in the industry!

Park Lane jewelry will be exchanged/replaced free of charge for a period of 120 days after the ship date stamped on your validated receipt. (Watches have a 30 day guarantee period.) ALL exchange/ replacement requests within the 120 day time period must be accompanied by the original, date-stamped, validated receipt. (Copies of receipts are not acceptable.)

- After the 120 day guarantee has expired (30 days for watches), a handling fee of \$7.00 (\$12.00 for watches) must be enclosed for each replacement. Exchanges for a different item are not allowed after 120 days.

- If you are exchanging a 1/2 price item within the 120 day time period you may select ONE item at 1/2 price. If the requested item is more expensive than the original item, simply pay the difference + tax. If the requested item is less expensive than the original item, Park Lane will send you the difference, plus tax in the form of a merchandise credit.

- The replacement item is guaranteed for a period of 120 days and is subject to replacement of the same item only, and may not be exchanged for a different item.

- Cash refunds will not be given after 30 days from the date stamped on your receipt.

Shipping charges are not refundable.

Directors are not authorized to accept returns. Customers should send jewelry items directly to:
